

What will happen at this Workshop?

We will be led through the Big Book of Alcoholics Anonymous through the eyes of OA.

Not sure what the Big Book is? Come for a weekend of fellowship and find out!

"If a mere code of morals or a better philosophy of life were sufficient to overcome compulsive eating, many of us would have recovered long ago..."

... Lack of power, that was our dilemma. We had to find a power by which we could live, and it had to be a Power greater than ourselves. Obviously. But where and how were we to find this Power?"

Well, that's exactly what this book is about. Its main object is to enable you to find a Power greater than yourself which will solve your problem."

Paraphrased from the Big Book
of Alcoholics Anonymous
Pages 44 and 45
